Todd,

If you mean the County's land use form, I will send something with the access agreement.

As for the current Access Agreement that Paula sent you, I will let her know that we are currently covered.

Thanks,
Steve

Steve-

Any progress on the verbiage for the improvement permit?

Can you also speak to Mike Holmes' replacement. She sent me an access agreement that duplicates the one already in existence.

Todd,

This is just an FYI regarding the plan to do a pre-bid job walk on Thursday, Jul 31 at 10 AM with the interested bidders. The date was confirmed this week. You do not need to be there, but feel free to join.

I plan to send you an access agreement early next week for the work that we have planned. As of now our plan is to start the work in early September.

Let me know if you have questions.

Steve
